

CHICHESTER GREEN NEWS

OCTOBER 2024 : ISSUE 14

CLLRS TIM YOUNG AND SARAH SHARP

Three Cheers for the Bike Bus organised by Chichester Greens! Encourage local schools to join the fun, safe, and green school bus.

Children in Bosham were cycling safely to their primary school last summer thanks to the Bike Bus. They loved it. They had adults with them who saw them safely across any busy junctions. It is great to see the children enjoying the freedom and exercise.

Cycling to school safely,
thanks to the Bike Bus and our
Green Party helpers.

The Bike Bus was organised by Green Party supporters, Georgie Armour and Jenny Cole. Jenny would love to see more Bike Buses in Chichester and would help with the organisation. Even the District Council are supporting this. Jenny says, “If your children’s school would like to do the same, contact me for more information on 07879263402. This is a great way to give children exercise, take cars off the road and reduce pollution - and it’s fun!”

Green Cllr Tim Young calls for more shade in Florence Park ‘Can you help with the watering please?’ says Tim

The council has been consulting with local residents about planting more trees around the football pitch in **Florence Park**. It will provide more shade and help to remove air pollution. There are already some volunteers to water the new trees, but more would be great. If you would like to help, please contact hard-working **Green Cllr Tim Young** tyoung@chichester.gov.uk

SARAH SHARP AND TIM YOUNG: WORKING HARD TO GET THINGS DONE

www.chichesterarun.greenparty.org.uk

Speeding traffic in Whyke area.

Cllr Sarah Sharp and Alan Carn and the Speedwatch team

The Green Team has been asking local people what their main concerns are locally. A lot of people find speeding traffic a real problem. Green Party supporters, Stephanie and Alan Carn are part of a Speedwatch group for the **Whyke** area. They regularly monitor along Whyke Rd and send their records of speeding cars to Sussex Police. The police send the drivers a warning letter, and drivers can be fined or lose points off their licence if they repeat the offence.

Bill Sharp remembered

You may be aware that Cllr Sarah Sharp has been on compassionate leave since last year, when her husband, Bill, became seriously ill. Sadly, Bill died in July. Bill was actively involved in the local community. He was Vice Chair of the Chichester Society. He was a key driver in the campaigns to save Rumboldswyke School and the pub, Muchos Nachos at the Crown. Bill will be missed greatly by many people, by his many friends in Chichester and especially by Sarah and their children. Sarah is now taking up her council duties again.
